ANNEXE / SLEEPOUT

Usually open plan, these units are suitable for use as additional rooms, basic accommodation units, bunk rooms, site or sales offices along with the more traditional caravan solid awning applications. Available in any size.

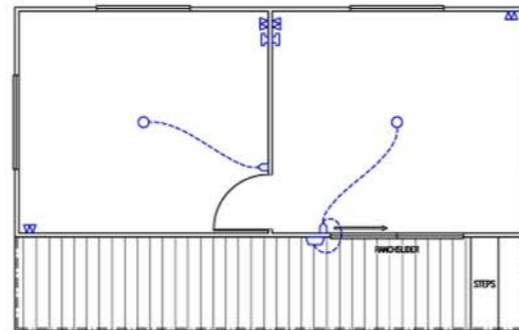

Prices from \$15,000*

UTILITY

The Utility Unit has evolved to meet the requirements of companies and individuals alike for use as mobile offices, takeaway bars, rental offices, and cabins. School classrooms have also been among the many uses for this series.

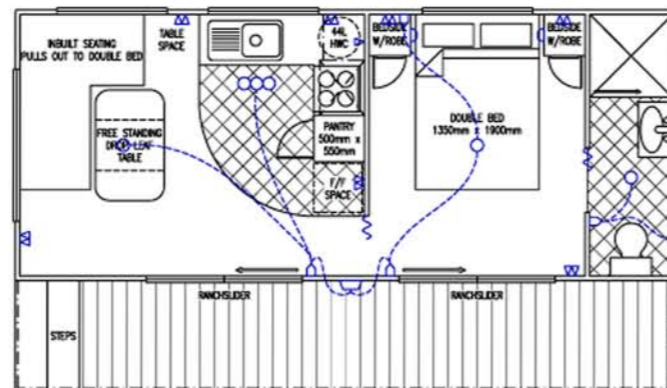

Prices from \$17,000*

TRAVELLER

The real Caravan of the range, the Traveller series can be seen in many caravan parks around New Zealand where they are widely used as holiday accommodation. Also suitable for beach sections and granny flats, the Traveller Series represents the very best in "New Generation" caravans.

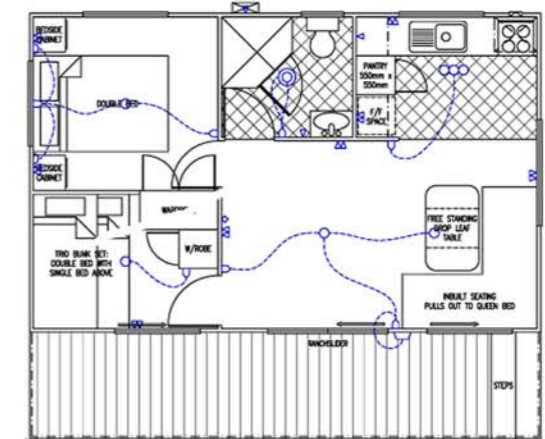

Prices from \$45,000*

CHALET

The Chalet Series has rapidly become the most popular product in the range, suitable for all types of accommodation. This series allows design flexibility to satisfy most customer requirements. Units range from 1-3 bedrooms and often feature fully equipped kitchens, laundry space, dining/lounging areas together with bathrooms/ensuites.

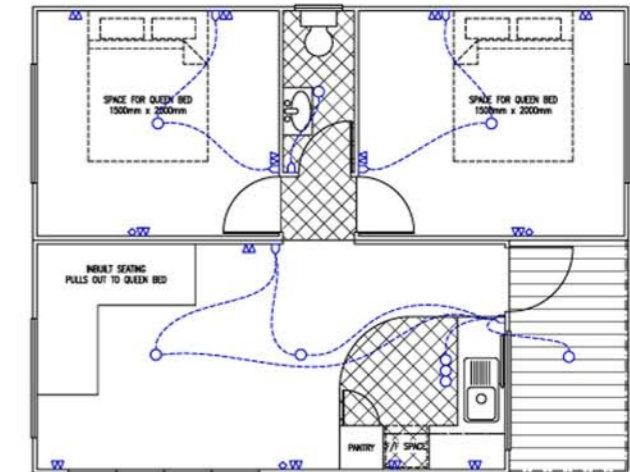

Prices from \$60,000*

DUPLEX

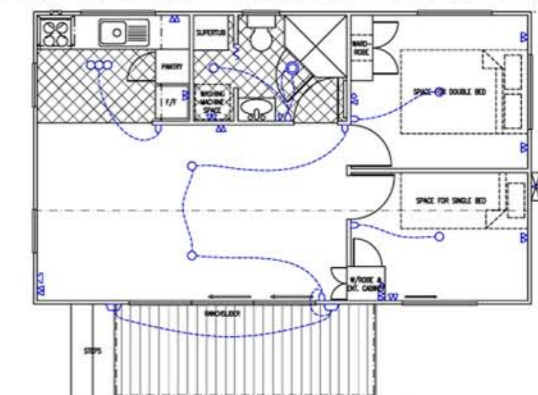

The flagship of the range, the Duplex concept allows for joining together of any two or more Traveller or Chalet units to form the optimum in holiday, family or retirement accommodation. This approach creates the ability to provide the best designs to fit most sections and caravan sites in New Zealand.

Prices from \$65,000*

NEW! CHALET PLUS SERIES - NOW AVAILABLE

Driven by the desire to create a contemporary yet functional design, maximising the use of natural light, the Chalet Plus Series is aimed at those who have an eye for design but do not want to compromise on quality, space, and value.
