Warranty Information

Leisurebuilt warrant your Venturer Caravan to be free of manufacturing defects, caused by faulty materials or workmanship for a period of 2 years from the date of registration. All appliances are covered by their own manufacturers warranty, see individual appliance paperwork for information. Leisurebuilt warrant your Venturer Caravan to be free from water ingress for a period of 10 years from the date of registration.

Terms and Conditions

The warranty does not cover accidental damage, units used for hire or reward, damage caused by neglect, misuse or units that have been modified. Routine maintenance and annual servicing are the keys to trouble free use and evidence of annual servicing, including a documented damp check by a recognised professional caravan service agent will be required in the event of a claim. Dated GST invoices detailing the service work carried out will be required as proof of service. DIY or home servicing will not be accepted as professional servicing. Leisurebuilt Limited reserve the right to rectify units at a location of their choice. Nothing in these terms and conditions is intended to affect your rights under the consumer guarantees act.

*** Specification**

Our policy of constant product development, together with component supply constraints means we must reserve the right to alter specifications from time to time, without prior notification. Please check with your sales person that the current standard specification meets your requirements.
